INDUSTRIE VANDAAG

IndustrieVandaag (e.g. IndustryToday) is the largest independent platform for industry news in The Netherlands. We gather the latest news from and about the industry in its entirety and bring it together here for you. From process industry to manufacturing, from technology to industrial economic news, and an agenda with all (online) trade fairs, conferences, and webinars.

Editorial Committee

To stay up to date with the latest technological developments and a practical perspective, IndustrieVandaag has an editorial board. The editorial board is an advisory body consisting of experts from the business world, industry, and academia. This combination gives IndustrieVandaag a unique advantage and recognition in the market.

12,900 visitors per month

An average of 12,900 visitors per month access the site, engaging with over 36,400 articles each month. [You can view the current visitor statistics in real-time here](#) (top right).

Reader Target Audience

Directors, (technical) managers, and engineers. They like to stay informed about trends, innovations, technology, and developments within their field. These technical visitors are actively involved in business operations, policy, production, procurement, sales, and technical issues.

Industrial automation

Primarily the process industry, manufacturing industry, and mechanical engineering, emphasizing industrial automation.

Newsletter featuring genuine readers

The newsletter reaches over 4,100 recipients, all of whom are genuine and verified subscribers, boasting an impressive opening rate of 47%. Recipients who do not engage with the newsletter within a six-month period are automatically removed from our mailing list.

Quantifiable outcomes

Advertisers receive monthly reports that distinctly illustrate the impact of their campaigns in terms of views, clicks, and daily click-through rates (CTR). We maintain transparency regarding our figures.

Largest digital platform

IndustrieVandaag is the leading platform in organic search traffic and possesses the highest authority score (source: Semrush. Figures available upon request).
